

# Air Force Bal Bharati School

Lodi Road New Delhi-03

Summer Vacation Activity Treasure Box: 2018-19

**Class: IV**

**Dear Children,**

- It's holiday time once again! The time we all look forward to. Children remember to have fun but also use your time constructively.
  - Begin the day with a morning walk and some exercise. Practice the **Yoga postures** and **Aerobic exercises** taught to you by Sir.
  - Choose at least one activity of your choice and learn it during the holidays. It could be photography, painting, playing a musical instrument or learning a new game.
  - Play indoor games like Chess, Ludo, Scrabble, Table-Tennis etc. during the day with your parents and family.
  - In the evenings, play Badminton, Cricket etc. with your friends and family. **Write about famous Badminton Players of India on an A-4 size coloured sheet.**
  - Go with your parents for a nature walk to any of the mentioned places:-  
*Garden of 5 senses, Bio-diversity Park, India Gate, Lodhi Garden, Nehru Park*  
**And write about your experience (uncommon birds, animals, trees the you saw) for your school magazine, Damini.**
  - Spend quality time with your parents and grandparents.
  - Lend a helping hand to your parents.
  - Nurture feelings of love and affection for all.
  - Spread happiness.
  - Read books and add new words to your vocabulary.
- Your **R.C.teacher** has planned an interesting activity for you:-
  - Weave black and white strips of chart paper and make a Chess Board. You can use it to play chess during the chess week in school.

OR

  - Make a nutritious food chart to have healthy and nutritious food.
- Prepare a **beautiful folder** (as explained by **Minoo Ma'am**) – A4 size with a pocket inside and decorate it. **Use it to keep your holiday homework.**
- Your **Music Competition is in July**. Prepare any of the mentioned categories:  
Classical, Semi-classical, Folk, Bollywood-patriotic, Bollywood-devotional.  
**Paste a picture and write a few lines** on an A-4 size colored sheet **about the musical instrument** that interests you and you may like to learn to play.
- Your **Dance Sir** has taught you steps of different dance forms, surprise him by learning some movements of **Asian folk dance**, e.g.: Indian, Japanese, Chinese, Indonesian etc.

❖ Here are some activities to keep you engaged to beat the scorching heat.

**Important :**

- All speaking activities (English and Hindi) will be assessed after the vacations during the public speaking class/period.

**English**

- 1) Make a poster or a collage of your favourite Indian Super Achiever. He/she can be from any field – art, music, sports, politics, etc.
- 2) Read any one of the following storybooks to speak in the library class (in July) what you liked the best about the story and the character that appealed the most to you.
  - i) Aliens in the Attic – John Schultz
  - ii) Mary Poppins – P.L. Travers
  - iii) Rana Pratap and his horse Chetak
  - iv) Prithvi Raj Chauhan
  - v) Chatrapati Shivaji

**Hindi**

- i) किसी महापुरुष की जीवनी पढ़कर उनके जीवन से क्या सीख मिलती है एक A4 size coloured sheet पर लिखो ।
- ii) अपनी मनपसंद कहानी पढ़कर जैसे सम्पूर्ण जातक कथाएँ , अन्य शिक्षाप्रद कहानियाँ कक्षा में सुनाएँ तथा उस से मिली सीख अपने शब्दों में व्यक्त करें ।

**Have Fun with Mathematics**

Use Mathematics and Geometry to make these :-

- 1) Use a pair of compass from your geometry box to make circular designs. Now colour them and use these designs to create 2 birthday cards.
- 2) Use operations ( +, -, x, ÷ ), numbers (1, 2, 3...), patterns and geometrical figures to create border for bulletin boards. Its length should be 1 metre and width should be 8cm. Don't forget to colour it.

**Be Socially Aware**

Make a bright and colorful poster with a slogan on an A4 size coloured sheet on the following topics as allotted to your section:-

- |                                      |   |
|--------------------------------------|---|
| <b>IV A</b> - Conservation of Water  | <b>IV D</b> - Conservation of Electricity |
| <b>IV B</b> - Conservation of Fuel   | <b>IV E</b> - Conservation of Animals     |
| <b>IV C</b> - Conservation of Plants | <b>IV F</b> - Say No to Pollution         |

- 1) Get a pledge (related to your poster topic) signed by at least 10 people in your colony/locality.
- 2) Paste at least 2 small photographs of your campaign on the poster.

**Computer**

Make a collage on Uses of Computers on a chart paper and bring it after the summer break.

**Children along with all this, you must not forget to revise for your assessments.**

Enjoy your holidays – Have Fun

**Your loving teacher**
