

AFBBS PHYSICS CLUB

A young mind is the sharpest mind. It learn quick and acts quicker. The education system today focus on books and rote learning ,but times are changing as these young geniuses, who chose to take a different path and have picked machines over books and ideas over words . The AFBBS Physics CLUB, was founded in 2008 by enthusiastic physics students and teachers to fulfill there interest in physics and to light the spark of physics in other students.

The physics CLUB aims to keep students involved in educational activities, and to accomplish this aim, various quizzes, OLAMPIAD and other hands on interesting activities like toy car making competition, egg dropping contest, water rocket launcher making competition and treasure hunt etc. are organized time to time by the club.

Motto of AFBBS PHYSICS CLUB “CURIOUS FOREVER, LEARNING TOGETHER”

PHYSICS CLUB
